ARIES
MAR. 21–
APR. 19

Stylishly sophisticated. A long, sleek gown and pin-straight locks will have you feeling positively runway-worthy.

Easygoing, he'll happily let you take the lead when it comes to party plans.
CELEB SOUL MATE: Daniel Radcliffe

Bonding with your BFFs is what it's all about. But don't forget to chat up other classmates; one has a surprise for you.

TAURUS
APR. 20–
MAY 20

Refined elegance. Fussy will never do, so choose a can't-fail classic: a black strapless gown and strand of pearls.

This dream date is totally dedicated to making your night unforgettable.
CELEB SOUL MATE: Chace Crawford

Usually happy watching the action from the wings, tonight you'll hit the dance floor and take center stage.

GEMINI
MAY 21–
JUN. 20

Flirty. A fun little mini with pleats, pumps with a punch of color, and—presto!—you're in party-girl mode.

Highly social, he'll introduce you to all his friends. Go on, mingle!
CELEB SOUL MATE: Joe Jonas

Plans may change unexpectedly. No worries. Your go-with-the-flow attitude guarantees your night will be a smash.

CANCER
JUN. 21–
JUL. 22

Romantic. Let yourself fall head over heels for flowing gowns with soft, pretty layers and sparkly little accents.

He's a little shy and will be content just to hold your hand. Completely irresistible!
CELEB SOUL MATE: Chad Michael Murray

When a minor mishap threatens to rattle your nerves, you'll laugh it off with grace. Friends will be in awe.

LEO
JUL. 23–
AUG. 22

Glamorous! You love to shine. Steal the show in a vibrant purple or gold metallic frock and spiky heels.

He'll amaze you with his (fabulously) mod tux and impressive dance moves.
CELEB SOUL MATE: Zac Efron

Don't get caught in the perfection trap. Prom will stand out for the fun you share with friends, not hairdo dilemmas.

VIRGO
AUG. 23–
SEP. 22

Classy—just like you! A long, draping gown with delicate jeweled accents shows off your impeccable taste.

At first, he'll give you mixed signals. But by night's end, you'll know it's for real.
CELEB SOUL MATE: Penn Badgley

You look fabulous. Now quit fussing with your makeup and get out there, or you'll miss all the fun!

LIBRA
SEP. 23–
OCT. 22

Seriously chic. You're a fashionista at heart, and a tiered chiffon mini, bold bangles and killer heels will prove it.

He'll open up about his true feelings and will surprise you with a kiss.
CELEB SOUL MATE: Shia LaBeouf

You're feeling terribly sentimental and will want to draw your closest friends together for some group bonding.

SCORPIO
OCT. 23–
NOV. 21

Daring with a touch of diva. A body-skimming gown in a bold pattern and print will stop 'em in their tracks.

This free spirit's plan? To have no plans at all. Enjoy the adventure.
CELEB SOUL MATE: Milo Ventimiglia

You'll have fun at the dance, but post-prom is when you'll really loosen up and connect with friends.

SAGITTARIUS
NOV. 22–
DEC. 21

Sassy and fun. Start with a breezy dress, pile on bracelets and necklaces, then finish with a big, chunky ring.

This boy's cheery personality suits you to a T. Tonight, prepare to fall hard.
CELEB SOUL MATE: Jesse McCartney

You'll buzz among crowds, trying to cram it all in. Be sure to share some QT with those who mean the most to you.

CAPRICORN
DEC. 22–
JAN. 19

Sharp—as always. You'll love the fashion-forward feel of a white strapless party dress and black patent pumps.

Everyone will vie for his attention, but he'll only have eyes for you.
CELEB SOUL MATE: Corbin Bleu

You have every hour planned to perfection. Now throw out the organizer and leave room for a little spontaneity.

AQUARIUS
JAN. 20–
FEB. 18

One-of-a-kind. A vintage dress paired with edgy metallic accessories will give an of-the-moment look a personal kick.

He'll pull you on the dance floor and shower you with sweet (not sloppy) PDAs.
CELEB SOUL MATE: Hayden Christensen

You'll feel uncharacteristically romantic, so a dreamy walk under the stars with your date will seem surprisingly appealing.

PISCES
FEB. 19–
MAR. 20

Feminine. Play out your fairy-tale fantasy: Look for a willowy empire gown, ethereal ombrés and pretty hair jewels.

He's funny and totally cute. Don't be shy, or he'll think you're not into him.
CELEB SOUL MATE: Chris Brown

At first, prom will seem to whiz by. But when an old friend stops to chat, you'll start to savor the moments.
